RENOVATION

OUR MISSION

COMMITMENT

We are committed to delivering world class interior spaces utilizing the latest technological and manufacturing methods as we work closely with our clients in an agile way to meet the unique needs and expectations of each client on the agreed service.

QUALITY

We aim to contribute significant value to our clients by delivering high-end quality services. It's our key to success factors. Majority of our clients are reoccurring clients which has been the main force of our success through the years.

VALUES

We are guided by our values of reliability, transparency, efficiency, excellence, as well as adaptability to the ever-changing market in all that we do. We are dedicated in providing close coordination with our clients' respect by presenting and explaining the details of the project and prepare all the necessary documentation on time. As a common practice, our team always takes before and after pictures to be presented to the client.

Our services include, but are not limited to:

Developer consent, presentation & approvals
Construction plans, elevations & sections
Finishes and fixture schedules
Full MEP specifications
Final schedule of works for pricing
Tender submission bidding
Full program, project and site management
Daily site supervision & reports
Defects list prior to completion
Practical completion
Value Engineering

Authority Qualifications:

Dubai Municipality G+4 Approved
Dubai Civil Defence Approved
Trakhees Approved

"Transforming outdated spaces into modern masterpieces,
one project at a time. We blend creativity, quality,
and innovation to make your home truly yours.

Your dream home starts here!"

Ritzi Restaurant – Marina Gate, Marina Walk, Dubai

RBIC HOME proudly delivered a full-scale commercial renovation for Ritzi Restaurant, an exquisite Italian dining destination in the heart of Marina Gate, Marina Walk, Dubai. Our team transformed the space consisting of 3 Units into a sophisticated and inviting restaurant, seamlessly blending elegant Italian aesthetics with modern functionality. From high-end finishes to meticulous detailing, every element was crafted to enhance the dining experience, ensuring a perfect balance of luxury and comfort.

This project reflects our expertise in high-end commercial renovations, bringing world-class design and craftsmanship to Dubai's dynamic hospitality scene.

Burj Khalifa – Residential Unit, 86th Floor, Dubai

RBIC HOME is currently undertaking a high-end residential renovation for an exclusive unit on the 86th floor of Burj Khalifa, the world's tallest tower. This prestigious project demonstrates our dedication to luxury, precision, and cutting-edge design. Our team is working meticulously to transform the space into a modern and elegant residence, integrating premium materials, bespoke finishes, and state-of-the-art fixtures to enhance both aesthetics and functionality.

With breathtaking views and unmatched sophistication, this ongoing project highlights RBIC HOME's expertise in luxury residential renovations, delivering exceptional quality at Dubai's most iconic address.

Dubai Hills, Emerald Hills , Construction of Private Villa B+G+1+R

One of our signature projects is the construction of a private villa (B+G+1+R) in Emerald Hills, Dubai Hills Estate—a testament to our capability in executing large-scale, bespoke developments with the highest standards of quality and design.

With a fully integrated structure and a portfolio of trusted companies under the RBIC umbrella, we provide a full spectrum of services including architectural design, interior fit-out, finishing materials, Italian kitchens, bathrooms, and electrical systems. This enables us to maintain complete control over quality, timelines, and budget—delivering seamless, luxurious living spaces.

73rd Floor Duplex Penthouse Conversion | Cayan Tower | RBIC GROUP

RBIC GROUP successfully transformed the main utility room of Cayan Tower into a fully functional luxury duplex penthouse on the 73rd floor. This complex project involved relocating live utility systems, securing all necessary approvals, and executing full structural, MEP, and interior works — entirely managed in-house

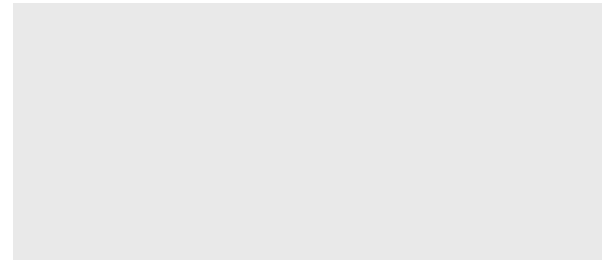

"Step into the spaces we've transformed.
From concept to completion,
these projects represent our dedication
to craftsmanship, innovation,
and creating homes that truly inspire."

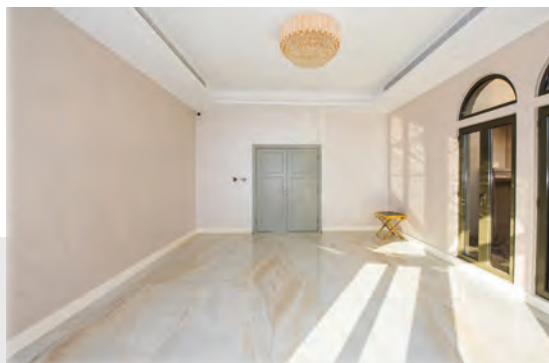

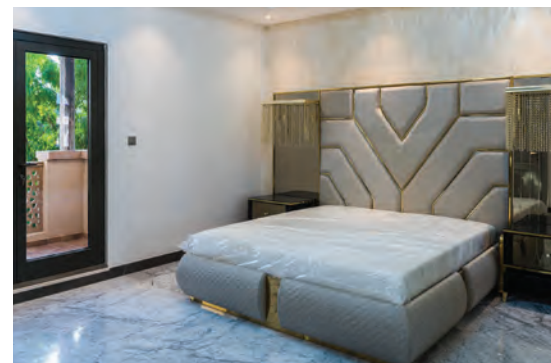

Every home tells a story — and through careful renovation,
we help shape that story into something extraordinary.
At RBIC Home Renovation, each project is a reflection of our passion for detail,
quality, and design."

RBIC LANDSCAPING

Sound garden design principles are what makes a great garden. We strive to create some of the most spectacular garden designs and landscaping in the region understand the relationship between texture, materials and colors.

We go beyond the planting of trees and shrubs but can help you create your little safe heaven for you and your loved ones. Our designs include pergolas, swimming pools and much more. Every design is tailor fit to suit your personal needs.

FARDAD MOTRAGHI
Department Head

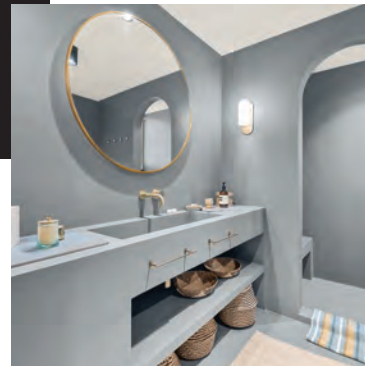

AVENTINI Italian Kitchens

We specialize in design, supply and installation of high quality, bespoke Italian kitchens that are created and build for each individual client. Our consultants have been designing beautiful, functional European style kitchens crafted around your individual preferences for more than twenty years.

Our kitchens incorporate variety of materials that can be customized to blend beautifully with your home, from wood to stone and laminate, we provide endless opportunities for personalization.

MARIA MENDROS
TuCasa Manager

TUCASA Boutique

With the idea to keep a one-stop shop solution to our fit-out clients, TuCasa was founded as our own building materials supplier and distributor. Sourcing its materials from all corners of the planet, it has developed to become a reliable option for our clients seeking a stress-free procurement solution.

With our most recent acquisition of a 30,000sqf warehouse in Dubai, we are excited to continue this growth and maintain our client satisfaction at the highest levels at all times.
